When In Quarantine

PEOPLE who are in quarantine are not isolated if they have a Bell Telephone.

The Bell Service brings cheer and encouragement to the sick, and is of value in countless other ways.

Friends, whether close at hand or far away, can be easily reached, because Bell Service is universal service.

Service above self

"The best antidote I know for worry is work. The best cure for weariness is the challenge of helping someone who is even more tired. One of the great ironies of life is this: He or she who serves almost always benefits more than he or she who is served."

Gordon B. Hinckley
