# N-95, Your New Friend

- **N95 respirator** cooler, and easier to breath through than a N-99 or N-100 dust mask.
- **Respirator Rating Letter Class:** **N** - Not oil resistant; **R** - Resistant to oil; **P** - Oil Proof
- **Respirator Rating Number Class:** **N-95** - Removes 95% of all particles that are at least 0.3 microns in diameter (**N-99 or N-100 available; KN=China**)
- **Corona Virus-0.17 microns, but attached to larger “droplets” usually 0.5 microns**
- **Ideally discard after use; to reuse, remove without touching front of mask, disinfect with spray of dilute bleach, peroxide, 70% isopropyl alcohol; place in oven at 130 degrees; microwave if no metal nose piece; may need to replace straps which are usually stapled in place**

# N 95 Mask Shortage!

# California COVID-19 Testing Verily Project Baseline

- **Collaboration Verily (Alphabet) Project Baseline and State of California**
- **Testing free of cost; Santa Clara County Fairgrounds**
- **Eligibility: 18 years or older; located in Santa Clara or San Mateo County**
- **Create Google Account; compete COVID authorization and consents using On-line Screener**
- **If eligible, free testing and results**
  - **Swabs, PCR for viral RNA; 85% positive, implies infection, contagiousness**
