

Service Above Self

Rotarians are community members who join together for volunteering, service, friendship and connections. We work side-by-side to enhance and improve our community. Through our service, we help create lasting change in Berthoud and around the world.

We are part of a global network of Rotary clubs with over 1.4 million members around the world, whose mission is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.
