BULLETIN # 16 **26 March 2024**

Presidents Report 26th March 2024

Hi Rotarians and Friends

Since our last bulletin we have been busy with plenty of activities at our club.

On 12th March we had our cluster Croquet Challenge at the Lilydale Croquet Club. We had members from the Wandin Rotary Club and Jan the President of Upper Yarra come and enjoy the night. Thank you to Patrick for organizing the grounds and giving us instructions on how to play. Thank you Jenny and Richard Selway for organizing the night. We had a great night with Croquet, Pizza and Ice Cream. Last but not least thank you to the Croquet Club Lilydale for letting us use the facilities.

17th March was Celebrate Mooroolbark, and the weather was perfect. We had the opportunity to have a 2 hour slot to represent our club. The membership team, Jenny, Barb and Tad were present with lots of information about our club and spread the word.

This weekend is our District(9810) conference at Warrnambool, Barb has been invited to do a 10 minute presentation about our Maroondah IPU Care Pack project which is exciting. Some of our members and I will be there to celebrate the final 9810 conference before we merge to become 9815. I am sure you will see all the pictures in our next bulletin.

On the 26th March Tuesday night is our general meeting and we have a very special guest speaker Shirley Weddle from Suicide Prevention and Brain Health Rotary E-Club from Texas, USA. Please invite friends and family who are interested in learning more about Suicide prevention. I have been told that she is an expert who has experienced from both her personal and professional life about Suicide prevention and is a really good speaker.

We had our Board meeting on the 19th March Tuesday at Gerry and Anne's house, thank you again for your hospitality. It was another productive meeting.

See you all on Tuesday!!

Let's Create Hope in the World

Please also share the link on your Facebook and other social media - much appreciated and good luck.

The raffle prize is holiday for two that includes 7 nights accommodation, all meals and more.

Get the details and your tickets here: <https://itstime.org/Home/RafflePage/105566>

The raffle is an initiative of Rotary Club of Lilydale Inc. The funds raised are split: Rotary Lilydale Project Maroondah IPU Care (50%) Its Time Foundation (50%) remote island solar school projects. The raffle and prizes are arranged and managed by Its Time Foundation - so it is a bonus that the cost of raffle prize is not going to a business, rather it is helping kids on remote islands have a modern solar powered education and to help the environment.
