President's Report

Dear Fellow Rotarians,

An enjoyable dinner meeting was enjoyed by all the other night with good fellowship an update from directors an interesting presentation from PDG Wendy and partner Charles. Wendy's Rotarian enthusiasm is to be admired and must almost be there life. The Barramundi meal was very tasty.

This week we have another great speaker lined up with VP Jim in the chair while Barb and I are away looking for new members!

The last meeting of the month will be at the hub where we will have a club assembly as we said we would have one each quarter. This will be a low key event at no or little cost as we shall just have a BBQ done by ourselves.

The call is out to fill Christmas Cake orders so please give this some thought and get your orders into Neil.

Don't forget to book for the Polio movie night if you have not yet done so. This is usually a great night out and the price is right and the movie should be actioned packed.

Have a great night Tuesday under the stewardship of VP Jim and take care.

Yours in Rotary

Bill Rex

All of the books are now sorted. Awesome job Chris Thomson & team! We're going to need lots of volunteers in Jan for the main event, approximately 20 per shift, with 2 shifts per day, over 3 days. Let Chris know if you can volunteer some time.

There was no silver circle this week.

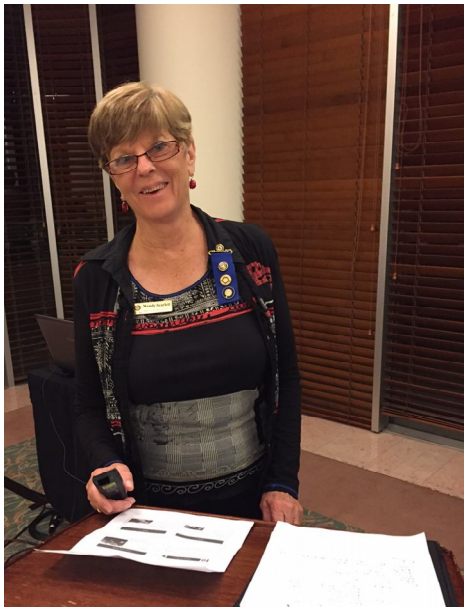
About Rotary



We welcomed Wendy to speak about the Rotary Leadership Institute (RLI) which was formed in 1992 by Rotarians on the East Coast of the USA. It's now spread worldwide and is in 19/21 Australian districts.

RLI is a grass roots multi-district development program whose mission is to strengthen Rotary clubs through quality leadership education.

There is a 3 day leadership course available to Rotarians where you will:

- Improve your Rotary knowledge
- Gain leadership skills
- Great for member retention & new members
- Share ideas with other like minded people
- Personal growth

The next course dates if you are interested are: 31st Jan 2106

28th Feb 2016

13th March 2016

So if you yearn to learn about the breadth of Rotary and how it fits together then the Rotary Leadership Institute is for you.

Thank you Wendy for fitting us into your busy Rotary schedule.
