What is our Hit-a-Thon Fundraiser?

The Hit-a-Thon is our fundraising event where participating hitters request flat donations or “hit pledges” from sponsors. On Hit-a-Thon Day, participants will hit softballs off a pitching machine or batting tee. Five fair ball hits will be measured. The distance to the furthest hit ball (including the roll) is the “Longest Hit”. Minimum hit is 100 feet. Maximum hit is 300 feet.
