Dear Fellow Rotarians,

Thank you for your sponsorship of a program for the 6th annual Yuletree Jubilee at the West Springfield Public Library. Your generosity supports arts in West Springfield, especially the art classes for school age children with the Parks and Recreation Department and the guided art sessions at the Cancer House of Hope. We raised over \$6000 with ticket sales alone.

The Red Thread Network for the arts has sponsored murals in town, busing for elementary school children to see a play at the High School, and worked with the Arts Council to support their projects, to name a few of our activities. With your generosity, we will be able to expand our arts foot print in town.

The Jubilee has become a holiday tradition in our community for families and visitors. With your help, we will continue to kick off the holiday season for many years to come.

The board of directors send you wishes for a happy holiday season. Thank you again.

Sincerely,

Jane Barrientos, Cynthia Amato, Christine Costanzi, Vincent Costanzi, Mary Powers, Beverly Browne
