

## 2023-2024 Academic Year

Global Grants Scholarships for the 2023-2024 academic year are now being offered by District 5970, under the Rotary International Global Grants Program. The scholarships fund graduate level coursework or research, at a minimum of \$30,000 for one to four academic years. Applicants must undertake international graduate study in a field that prepares them for service in one of the seven Rotary Areas of Focus. The Rotary global Grant Scholarship Supplement provides more information: <https://my-cms.rotary.org/en/document/global-grant-scholarship-supplement>

Applications for scholarship candidates who will begin studies in August, September, or October must be submitted to RI Foundation by May 1. The rest of the year. Global grant scholarship applications are accepted on a rolling basis. Applications must be submitted at least three months before the scholarship candidate's intended departure date to allow adequate time for RI Foundation review and processing.
