

Rotary Oceania

The operational engine behind Rotary in New Zealand and the Pacific.

ROZOPS Limited provides the financial, technology and governance backbone that five Rotary Districts and their Clubs across New Zealand and the Pacific rely on — freeing Rotarians to spend their time serving communities, not managing admin. Owned by the New Zealand Rotary Clubs Charitable Trust, and governed by a volunteer Board with one Director from each District, plus 3 independent Rotarian directors.

What We Do

Financial & Trust Services

Banking, receipting and trust administration for District and Club fundraising.

Digital Infrastructure

rotaryoceania.zone, ROZConnect, Clubrunner contract management, secure file storage, a national 0800 line, and Rotary email & domain services.

Leadership Development

Operational support for Leadership Seminars — the South Pacific Presidents-Elect seminar — and District learning programmes.

Community Projects

National coordination for the Rotary Breast Milk Bank, Cans for a Cause, Peace Poles, Shelterbags for Rough Sleepers and Say No to Domestic Violence.

Charitable Partnerships

Fund administration for Rotary Oceania Medical Aid for Children (ROMAC), Mana Tangata and National and District appeals.

Governance & Trust Support

Administration for the NZ Rotary Clubs Charitable Trust with Perpetual Guardian as Trustee, plus our subsidiaries: ROZevents for district, national and international events, and ROZYouths, the vehicle for running RYE.
