GUEST SPEAKER - 6 FEBRUARY 2024

Kevin Love: Sustainable Development - Western Port example

Our very own Kevin Love operates his own advisory business, specialising in project management, policy advice and governance. He is the Chair of the Phillip Island Nature Parks Board.

For over 20 years Kevin worked at the Department of Agriculture in regional Victoria, including 12 years in Leongatha. He also worked with the Department of Premier and Cabinet as the executive with principal responsibility for advising Premiers Kennett and Bracks on policies, programs and major projects related to resources and infrastructure.

He then moved to the Department of Sustainability and Environment as Deputy Secretary, and led significant institutional and organisational reform, had responsibility for the State's public land estates and assets and established himself as a national leader in natural resource and marine and coastal management policy.

Western Port has an internationally significant wetland, next to a nationally significant port and a growing part of Melbourne. Kevin Love has experience in both environment and infrastructure policy and projects and has been involved with issues facing the area since the late 1980s. He will explain its values and what the challenges are for such an important part of Victoria.

SAVE THE DATE: 2024 ANGUS MITCHELL ORATION

As President of Rotary Melbourne, I am pleased to inform you that most recent former Australian Ambassador to the USA, The Hon Arthur Sinodinos AO, will be delivering the prestigious 2024 Angus Mitchell Oration. Given global flashpoints in Eastern Europe, the Middle East and Asia and the expertise of our speaker, the oration will be highly informative and topical.

In attendance will be leading members of our business, diplomatic, charitable and Rotary community. The previous oration was delivered last year by former Prime Minister The Hon John Howard OM AC. The event was sold out well in advance.

Please save the date in your calendar as we expect this event will also sell out quickly. We expect booking to open on 24 January via our website.

I look forward to seeing you at the Angus Mitchell Oration.
