ROTARY INTERNATIONAL is an organization of business and professional leaders united worldwide since 1905, providing humanitarian service, encouraging high ethical standards in all vocations, and helping to build goodwill and peace in the world. A key component is service – participation in local and international service projects, where club members can volunteer their time and showcase their talents.

Chartered in 1967, **MADISON SOUTH ROTARY** is a group of nearly 70 friendly professionals who value the Rotary motto "Service Above Self."

Why Join Rotary?

Friendship: In an increasingly complex world, Rotary fulfills one of the most basic human needs: the need for friendship and fellowship. It is one of two reasons why Rotary began in 1905.

Business Development: The second original reason for Rotary's beginning is business development. Everyone needs to network. Rotary consists of a cross section of every business in a community. Its members come from all walks of life. Rotarians help each other and collectively help others.

Personal Growth and Development: Membership in Rotary continues one's growth and education in human relations and personal development.

Leadership Development: Rotary is an organization of leaders and successful people. Serving in Rotary positions is like a college education. Leadership: - learning how to motivate, influence, and lead leaders.

The Opportunity to Serve: Rotary is a service organization. Our business is humanity. Our product is service. Rotarians provide community service to both local and international communities. This is perhaps the greatest reason for becoming a Rotarian: the chance to do something for somebody else and to experience the self-fulfillment that comes in the process. It is richly rewarding.
