Getting Down to Business

In fact, that was the agenda. We installed a couple of new officers, retained others, and enjoyed a beautiful second day of summer.

We celebrated **Paul Miragliuolo's** birthday. **Ken Nagle** gave a Happy\$ for NAPA moving into the heretofore vacant building next to Eastern Maine Community College.

In his exit address, **President Ken Huhn** a theme for this year is to “rebuild the club.” He mentioned his visits to clubs in the region, and that the Belfast Rotary has a growing membership and a very healthy bank account. He added that “we’re doing well.”

David Zelz won the weekly drawing and **Ken Nagle** won the Joker’s Wild, which he deposited in the Polio Plus account.

As Ken Huhn passed the gavel to our new president, Larry Diehl, he noted that the instrument has been calling meetings to order since 1989. Larry’s “cabinet” includes President elect – **Paul Miragliuolo**, Secretary - **Karen Schaller**, Treasurer – **Craig Costello** and Past-President – **Ken Huhn**. Larry posed questions: what do we want the club to look like as we move forward? Continue to meet weekly? Have guest speakers for each meeting? “We are a service organization,” he said. “We need to create energy, create an activity buzz.” The general sense of members about meeting frequency echoes June Kontio’s request that we meet each week. “It builds it into our regular routines.” Next week we will welcome Deb Neuman, president of the Bangor Region Chamber of Commerce.
