Lucky Ducky Race
Platinum Sponsorships

Get creative in decorating your duck! Platinum sponsors will receive and can decorate and personalize a big duck with your logo and make it as wild and crazy as you like! Due to the race environment, decorations should be durable, firmly affixed, and of course, waterproof. Display your duck proudly!

The sky is the limit… well, technically you are limited to 12"L x 12"W x 12"H and no, you can't add a motor. But you can use paint, markers, glue, nail polish, feathers, fabric, paper, beads, rhinestones, glitter, found objects, duck tape (😊), etc. Make your bird stand out from the flock because attendees will be voting for "best decorated" duck.
