

August Launch

Hopefully you were able to attend our August 2nd meeting at Bally's where Dr. Clint Purvance & Chris Proctor gave an informative presentation about the [new Barton Hospital project in Stateline](#).

Phoenix Christening

TDRotary really turned out at Round Hill Pines beach on August 8th for the christening of our beloved Phoenix fire/rescue boat.

Many thanks to Captain Greg Felton for this labor of love!

If you see this fiery red frigate working on the lake, spread the word about TDRC!

Onward

Unfortunately, Rod Stewart had to postpone his August 9th outdoor concert at Harvey's due to illness. Some flexible Rotarians were still able to volunteer for his re-scheduled show on August 20th. John Pardi performed on schedule on August 24th.

Our regular meeting at Bally's resumed on August 16th when Caroline Waldman introduced us to the work of the [Tahoe Fund](#).

Some of our members attended a [Tahoe Chamber of Commerce](#) mixer on August 21st. They are sponsoring the upcoming Sample the Sierra event on Saturday September 21st from 1pm to 4pm. They are looking for community members for volunteer duties. Each volunteer will receive free entry to the festival to enjoy outside of their assigned volunteer hours.

Anyone interested can [sign up to help](#). Of course, tickets are available to purchase at www.samplethesierra.com

District 5190 Governor: Dennis Geare

TD Rotary was honored with a visit from our DG Dennis Geare at our regular noon meeting at Bally's on August 23rd.

Dennis, an accomplished musician from the Rotary Club of Grass Valley, has embraced the theme "Rotary Makes Beautiful Music for his sojourn as 5190 DG.

He shared his Action Plan with us:

- 1) Increase our impact
- 2) Expand our reach by sharing the gift of Rotary with others
- 3) Improve member engagement
- 4) Increase our adaptability

He also reminded us that Rotary should encourage peace and that the district exists to support its clubs.

Outstanding Members

This visit was also an opportunity to honor some of our outstanding members.
