

Concerts

Harvey's summer outdoor concerts have now concluded with Alabama (September 13), Dan & Shay (September 15) and Lainey Wilson (September 20-21).

Many thanks to all our Rotarians who volunteered their time to make these shows ROCK and generate some revenue through VIP ticket sales.

September at Bally's

September 6

We continued our tradition meeting at the center bar to toast Bob Fores and induct him into our club, Welcome Bob!

David Reichel enlightened us on the heroic activities of the Sierra Avalanche Center.

September 20

Evan Dreyer educated us about the efforts to get the Lead out of Tahoe!

September 27

We enjoyed a delightful presentation by our REGL students about their meaningful experiences at camp. WAY TO GO: Zoe Spitler, Calie Holcomb, Ali Grime, Connor Means & Max Payne!

Fun Times in Our Community

TDRC members turned out once again to support Reef's Run for Hydrocephalus: President Roy and Mike Johnson's son both ran a good race while Grace Schorr, Debbie Jorgensen, Cheryl & Keith Cottle volunteered. They had a record turnout this September 8th!

And TDRC returned to Round Hill Pines Beach again on September 12 for an evening of food, drinks, fellowship and an update from John

Steude, President of Sierra Lobster, Inc. on the biodiversity of Lake Tahoe and the role of shrimp and the crawfish industry in our ecosystem.
