

October at TDRC

This month kicked off with the CA-NV Employer's Summit at the Hyatt Regency in Incline.

Michelle Turner presented a valuable presentation about wildfire preparation at our noon [Bally's](#) meeting. We should all have our evacuation plans in place! If not, contact tahoefire.org.

A few of us volunteered at the inaugural Lake [Tahoe Documentary Film Festival](#) at the [Tahoe Blue Event Center](#).

It was lots of fun and the films were great!

Looking forward to making this an annual event.

Later we enjoyed an evening of whiskey tasting at the [Minden Mill Distillery](#) followed by a meal down the street at [Cook'd](#).

Rotary Generosity continues

Mei Lee generously donated 30% of the October proceeds from sales of her [Ageless Zen](#) products for Breast Cancer Awareness. Thank you, Mei!

We also supported our Douglas County Battalion Chief Chris Lucas and his partner/daughter Hannah Lucas as they competed in the [Dancing with the Tahoe Stars](#). (Congrats to winners, Marina Rich and Alric Lam and all the funds raised for the Tahoe Arts Project)!

The [Fox and Hound](#) contributed to Rotary's effort to eradicate polio around the world, culminating with our "Pints for Polio" event on [World Polio Day](#).

Extra Extra

Nine of us took advantage of the opportunity to join [Shawn Rowles](#) for a weekend of relaxation and rejuvenation at [Harbin Hot Springs](#).

Do to the fact that it is “clothing optional”, other pictures are too risqué to be included in this publication!

Looking Ahead

- 11/1) Author [Pat Hickey](#) will share some afterlife stories from his tomb, “Here and Here After”
- 11/7) Veteran’s Day program at Tim’s Genoa Brewery with guest Speaker Bob Nelson, leader of the “[Run For the Wall](#)” motorcycle event
- 11/1) [Knight Monsters](#) Social with the SLT club at the Tahoe Blue Event Center followed by live hockey
- 11/22) [NV Dept of Wildlife](#) will join us at Bally’s to discuss “Bear Management and Karelian Bear Dogs”

See you in November!
