

Holidays at TDRC

11/1: We Kicked off the holiday season with a very interesting presentation from Pat Hickey about after life stories from his book "Here & Here After". He generously donated \$5 from each \$25 book he sold to our club foundation for a total of \$45. Thank You Pat!

11/7: We enjoyed an intimate salute to our veterans at The Genoa Brewery (Tim's house). Our guest speaker was Bob Nelson of Run For The Wall, the largest motorcycle ride across the country to honor our veterans. <http://runftw.us>

11/15: A great time was had by all (well, 32 of us anyway) at the Tahoe Blue Event Center for a pre-game social with the SLT club followed by VIP viewing in Suite #7 for the Knight Monsters hockey game. (If only they had won this one?)

11/22: Nevada Department of Wildlife Game Biologists taught us about Bear Management and the Karelian Bear Dogs (with 2 of them in attendance) at our regular Friday lunch meeting at Bally's.

HAPPY THANKSGIVING EVERYONE!
