

## Month in Review

### Service Projects

Mick and Graeme in May, and Sandra and Brian in June, participated in the regular Trash and Treasure clean-up.

All hands helped out with our Bunnings BBQ on Saturday 8 June. After a quite cold start in the morning the day was quite successful with over 600 sausage sandwiches sold. A special thanks to those members and friends who helped out.

### Our hardy crew braving the early morning cold

#### Meetings

Jon Peach, the Executive Director of ACT Corrective Services, gave us an insight into the running of correctional institutions. With 20 experience in a number of establishment he took up his current role in 2017. With a strong background in safety and security Jon is passionate about the role of Corrections in rehabilitating and reintegrating offenders and the ability of Corrections to make a positive difference not just for those in his care but also for the wider ACT community.

Vik thanking our speaker Jon Peach

#### Board

On 3 June we held our annual Combined Board meeting with both the current and future boards.

### Banner Exchange

Part of the tradition of Rotary is for visiting Rotarians to exchange club banners with the clubs they have visited. On 20 May we had a visit from two members of the Rotary Club of Marina City in Singapore; Cliustople Hein and Ser Sim.

For our members, especially for our newer members, it is interesting to see the banners we have received over the last 10 years since the club's charter. Unless there is a rogue banner still at large I believe that we have received 21 banners in total (see the following page) from Rotary Clubs around the world.

### Gungahlin – Marina City Banner Exchange

# The Key

## 10 June 2019

Below are the banners we received over the last 10 years.

				
<b>Alstonville 9640</b>	<b>Aurora-Gungahlin 9710</b>	<b>Blyth 1030</b>	<b>Cairns West 9550</b>	<b>Cairo New Capital 2451</b>
				
<b>Devonport North 9830</b>	<b>Dili 9550</b>	<b>Ginninderra 9710</b>	<b>Irymple 9520</b>	<b>Hervey Bay 9570</b>
				
<b>Jalandhar City 3070</b>	<b>Kihei Sunrise 5000</b>	<b>Kihei-Wailea 5000</b>	<b>Kings Meadows 9830</b>	<b>Marina City 3310</b>

### What does Kingsford Smith School Interact club got to do with Play and Learn in Timor Leste project

Around 18 high school students, members of KSS Interact club meet weekly to discuss and consider projects they wish to support and how they can achieve that. While aspiring to discover new cultures they have become interested in Play and Learn in Timor-Leste project. Project manager Gordana visited KSS Interact Club couple of times to introduce Timorese culture and explain the nature of the Project. In 2018 the Interact club organised a toys, games and art items drive for P & L within the senior site. Earlier this year they made a financial contribution to the Project. Their efforts and assistance is valued and acknowledged when President Mick and Gordana visited KSS Interact club to present them with a certificate of appreciation.

---

### It's time to consider your annual giving to the Rotary Foundation

Members are encouraged to make their personal donations to the Rotary Foundation well before the end of the Rotary year, on 30 June, as the zone office gets very busy around Changeover month. An annual donation of AU \$100 (frequently just a fill at the bowser) maintains your status as a Centurion.
