

SERVE TO CHANGE LIVES

Rotary Year 2021-22

To: Potential New Members of the Rotary Club of Santa Fe

From: James Roghair, Membership Committee Chair
Cell, 847-738-9504; jroghair@comcast.net

RE: New Member Applications

The Rotary Club of Santa Fe is happy you have expressed an interest in joining our Rotary Club. As you work with your Sponsor and attend meetings, we hope you will decide to join us in Rotary fellowship and service.

To apply, you and your sponsor should complete and sign the attached 2-page **Membership Application**. Along with it please include the following:

- A **short biography (1/2-page)** introducing you personally to the club.
- A **business resumé (1-page)** to be presented to the committee and the Board.
- A **letter of recommendation** from your sponsor to be shared with the entire club.

I have appointed Past President John Adams to be the Membership Subcommittee Chair to work with new members to facilitate applications. Feel free to contact him or me for additional information. John's contact information: mobile 505-690-1763, adams.john.r.73@gmail.com.

Other documents that explain about Rotary, and the Rotary Club of Santa Fe's new member process are provided in the Membership section of the Club's website.

Your completed application materials will be presented for approval to membership committee and then to the Board at a regular monthly meeting. Upon approval, club members have a week to respond to the application. Induction of a new member into the club is held at a weekly meeting. When inducted you will be assigned a mentor. Your mentor and sponsor will be good sources of information about Rotary as they participate with you in the New Member Engagement Program which includes an Orientation session with other new members.

Because of the COVID pandemic the Club is in a state of flux. Dues, fees, meeting locations, and formats may change. Please discuss the current status of dues and fees with the Club Secretary or Treasurer and ask your sponsor to notify you of meeting arrangement changes.

Rotary is considered to be the premier service organization. We welcome the opportunity to include you in the worldwide Rotary family working together to make the world a better place.

Yours in Rotary Service,

Jim Roghair, Membership Chair
