Re: New Member Applications

Thank you for your interest in joining the Rotary Club of Santa Fe. As you work with your sponsor and attend at least two meetings, we hope you will choose to join us in Rotary fellowship and service.

To apply, you and your sponsor should complete and sign the attached Membership Application. In addition to your application form, please include the following:

- A **short biography (1/2 page)** introducing you to the club.
- A **business résumé (1 page)** for review by the Membership Committee and the Board.
- A **letter of recommendation** from your sponsor to share with the club.

Once your application form and additional materials are complete, please submit them to your sponsor or to Membership Committee Chair, Michael Graves, either hard copy or electronically. Please contact your sponsor, Michael, or me if you need additional information. Michael's email: michael@mtgraves.com

The Membership Committee will review your application and submit a proposal to the Board at a regular monthly meeting. After Board approval, club members will have one week to respond. New member inductions are held during weekly meetings.

After induction, you will be assigned a mentor. Your mentor and sponsor will help you learn more about Rotary and participate with you in the New Member Engagement Program, which includes an orientation session with other new members.

Current dues and fees are attached. Please confirm the current status of dues and fees with the Club Secretary (Jordan Rosnar) or Treasurer (Bryan Craig) and ask your sponsor to notify you of any meeting arrangement changes.

Rotary is a premier service organization. We would be pleased to welcome you into the worldwide Rotary family, working together to make the world a better place.

Yours in Rotary Service,

Erin Connelly
