

Last year (2023/2024) our Community Services committee under the leadership of Vern Hilditch looked at the possibility of making Backpack Swags for the Homeless in Wodonga. Our club donated the funding, and we had Prisoners at the Beechworth Jail manufacture these Swags. The Swags were delivered to Uniting Care for the delivery to worthy recipients in Wodonga.

We can now say that the Swags are ready for delivery and will be put to good purpose.
